

Jamestown and Powhatan Project

Using PowerPoint create a project to share with your class.

Requirements:

- Creates slides giving the background information for your topic. You may want to make a slide for each question or combine similar questions on a slide.
- Create a slide showing how the two cultures affected each other positively (use a Venn diagram).
- Create a slide showing how the two cultures affected each other negatively (use a Venn diagram).
- Create a slide showing which culture was the dominate culture in your area of study and your reasoning behind your claim.
