

Renaissance Research Guide

Welcome to the renaissance period! You will be studying the life of a person who lived during the renaissance period. After researching and writing an essay you will create a project and present your person to your class.

Requirements:

1. 3 Note cards- created in NoodleTools
2. 3 + Citation/Bibliography- created in NoodleTools (book, website, encyclopedia/reference)
3. 5 paragraph essay
4. Prezi Project

People of the Renaissance

World Book List

Medicine	Scientists	Women
Ambroise Paré Andreas Vesalius William Harvey	Nicholas Copernicus Paracelsus Galileo Johannes Kepler	Maria Sibylla Merian Margaret Cavendish Emilie Du Chatelet Laura Bassi Maria Agnesi Eliza Lucas Pinckney Caroline Herschel

Select a person to study and create 3 note cards answering the following questions:

1. What happened to your person during their life?
2. What contributions did your person make to the world/renaissance?
3. What motivations contributed to their success? or How did the Middle Ages impact your person's life?

Project:

More information to come.
